## **Prayers**

- Lord, we believe in your word and walk confidently in who you say we are and what you have purposed for us to do. We repent for living beneath or contrary to who you say we are. We repent for speaking contrary to what you say Bermuda is. We repent for not fully obeying your word and understand that partial obedience is disobedience. Forgive us Lord and give us the strength, courage and wisdom to walk out your plans for our lives. Help us to build up ourselves in our most holy faith. Help us not be swayed by the things that we see and the opinions of man but to believe ONLY what you say.
- Lord, we repent for the times that we have doubted you and allowed fear and doubt to cripple us. We know that you are a faithful God, a covenant keeping God and you will perfect that concerning Bermuda, Restoration Fellowship, our family and concerning us. Help us to demonstrate our faith in you; cause us to bring our light to the darkness and salt to the earth and help us to confess with our mouth what you said will be even when we don't see as we know that you watch over your word to perform it. ALL things are possible to them that believe, and we believe.
- Lord, we pray for all of the intercessors. That the sting of delay, perceived rejection or an outcome not manifesting as they thought will not deter them from remaining on their watch. We pray for their strength, physical and emotional, that they will not grow weary in well doing, that they will not curse God.
- Pray that we would create an atmosphere for miracles by raising our expectations for them. Pray that we would give thanks to God more often and share our testimonies more broadly so that the baby that others are carrying will leap and so that the discouraged would be

encouraged. Pray that we would allow God to have His way even when it seems to be going contrary to the plan.

- Pray for Pastor Jackie, Rev Alberta, Pastor Patrick, His Majesty's Happy Home and the school campuses in Guyana. We pray that God will provide all that they need this season- finances, teachers, placements at college and other resources. We pray that the students will continue to excel and that the results will bring them notoriety and favour. We pray for rest for the leaders and staff and that the Lord will blow their minds this year. We pray for all those who are on the Mission field- that they will not grow weary in their well doing; that God will grant them the desires of their hearts; that they will lack no good thing; for ingenuity and favour for increased faith and commitment.
